TRADOC REG 350-70, Systems Approach to Training Management, Processes, and Products

What: Rewrite the TRADOC training regulation, to limit the regulation to "thou shalt" guidance, and shift the "how to" guidance to the supporting TRADOC Pamphlets

Who: TDADD (ITD) / TDSMD
Rewrite Oversight Panel (ROP) assembled to conduct high-level management, oversight, and stake-holder approval of regulation development before regulation is sent for official staffing

Method: STRAP Writing Tool (SWT) – document management tool
Adobe Connect – synchronous communication tool
Develop revisions to regulation in modular format

Status: Established revised regulation outline
Established outline template in SWT
Content population in SWT; Revision has started
Initial module target completion 31 Jan 08
SME/POC input is welcome

Lead: Renee Escoffery-Torres / (757)788-4333 – TDSMD
E-mail: renee.escoffery@us.army.mil
